COSC 328 – LAB 9
Introduction to Networks
2020 Winter Term 1

Deadline: Dec 6th, 2020 at 11:59 PM Pacific Time (Sharp). Delayed assignments will receive penalty as described in the course outline.

Introduction

This lab is optional.

There are two files in this folder. You can choose either the programming assignment or the Wireshark lab to receive the full mark. This lab will compensate at most 5% of your total grade. If you think you will receive a full mark, feel free to escape it.

Please note that completing both part does not qualify for more marks.
